**Zest Leaders Consultant**

**Zest member:** since 2016

**Education:** St. Petersburg State University (Faculty of Psychology, Department of Organizational Psychology)

**Experience:** Volunteer Team Leader at the St. Petersburg International Gas Forum for several years

**About myself:** For three summers I worked as a team building training instructor. I am firmly convinced that the key factor to achieve the goal is the team made of "right" people relevant to this goal. I consider the possibility of communication, a dialogue, to be the driver of the mankind. I have a special interest in coaching and Carl Jung.
